Story

Mehr als 50 Nationalsieger und Olympiadetauben, deren Geschwister oder Kinder züchten in unseren Volieren. Neuzugänge werden akribisch ausgesucht und selektiert. Nur das Beste vom Bestem gelangt in unsere Zuchtanlage. Jüngstes Beispiel ist "Mission Impossible" ein absoluter Ausnahmevogel aus der Basis von Gaby Vandenabeele, direkter Enkel des "Bliksem" und des "Blois". "Mission Impossible" wurde 1. und im darauffolgenden Jahr 2. Asvogel im RegV. Sollten Sie zusätzliche Informationen benötigen stehen wir Ihnen jederzeit zur Verfügung.

More than 50 National Winners and Olympic Birds, their brothers and sisters or children breeding in our aeries. New birds will be very strong selected to achieve our high requirements. Only the Best of the Best will be chosen. For example in 2012 "Mission Impossible" - Pure Vandenabeele - Grandson "Bliksem" and "Blois". He is 1st and 2nd Provincial Acebird and was Number 1 at Provincial flight from Ostend - 620 km. If you need any additional informations feel free to contact us.
